Reviews

"Delivering superb sound at a strong consumer value, the entry-level Audiofly AF33C is an excellent multi-use in-ear earphone and offers best in class for value-conscious consumers that want a superior sound experience."

Peter Buckley,
Visual-i.co,
June 2013

"The sound quality delivered from the 9mm driver is excellent. Precise mids, subtle treble and pounding bass!"

Louise 'Fifties' O'Donnell,
