## VCL-100 CEILING MOUNT FOR LCD TV

A STYLISH  
LOW COST SOLUTION  
TO MOUNT YOUR  
LCD TV TO THE  
CEILING

### FEATURES

Ceiling Mount for LCD Screens with tilt, adjustable length pole and cable management.

Enjoy the many benefits of mounting your flat panel screen on the ceiling. A single elegant pole, which also conceals the cables, is all you will see behind your screen. Ideal for both private homes and commercial premises alike. Easy to install and adjust to your desired height.

Easily attaches to most 10" to 30" (25 to 76cm) LCD screens weighing up to 20kgs using the supplied hardware kit and without the need for special tools.

### STRONG AND ATTRACTIVE

Heavy gauge steel construction is powder coated in an attractive silver or black finish. The stylish and unobtrusive design fits easily into any environment.

### QUALITY

The Venturi VCL-100 Wall Bracket is made from quality materials and is covered by a five year warranty.

### PACKAGE INCLUDES:

Ceiling mount plate, plastic ceiling plate cover, adjustable length pole, tilting screen plate, mounting hardware and assembly instructions.
