Portable Bluetooth HI-FI speaker

#SOUND QUALITY
Size defying sound

Geneva believe style and substance belong together, which is why the 750g Touring/xS features two active drivers and a passive, bass boosting radiator, all powered by a quality Class D amplifier. For the size, the sound is nothing short of spectacular.

Touring/xS

Portable Bluetooth HI-FI speaker

#DESIGN

Sophisticated style, superior sound.

Engineered to go beyond the ordinary, the Touring/xS is crafted from expertly finished aircraft grade aluminium and clad in high quality eco leather. What can we say, we're Swiss, precision engineering is what we do.

Touring/xS

Portable Bluetooth HI-FI speaker

#SIMPLICITY
Seamless control.

With its single aluminium dial, time-saving auto-connect Bluetooth and a 3.5mm jack, streaming from your smartphone, tablet or MP3 player to the Touring/xS couldn't be simpler.
