

## Premium Picture and Sound Quality

### HCX Pro Intelligent Processor

### Multi HDR Support (HDR10+/ Dolby Vision/ HLG Photo)

### Dolby Atmos®

Our highest performance 4K LED TV gets the best from its slim screen, thanks to our latest HCX Pro Intelligent Processor to deliver high-quality motion, colour and contrast. Local Dimming Pro Intelligent delivers excellent contrast to support Dolby Vision™ and HDR10+ High Dynamic Range technology. Dolby Atmos® sound and fast gaming performance make this an ideal centrepiece for a home entertainment system.
