M4 HI-FI SOUNDBAR

THE IDEAL 'CLUTTER FREE' SOLUTION FOR GREAT TELEVISION SOUND

FOR FILM LOVERS WHO WANT TO 'FEEL THE EARTH MOVE', A SEPARATE SUBWOOFER OUTPUT IS INCLUDED.

"Sounds fantastic. Great dispersion of sound...powerful bass"

What Hi-Fi? Sound & Vision, August 2014

M4

HI-FI SOUNDBAR

As well being the ideal solution for anyone who wants to enjoy great television sound but who doesn't want the 'clutter' of conventional speakers, the M4 Hi-Fi Soundbar is a complete hi-fi system in its own right. Simple analogue and digital 'plug and play' connections to your TV or 'Set-top box' will deliver class leading television sound, whilst an advanced Bluetooth connection allows you to wirelessly stream music from your smartphone, tablet or other compatible devices. Naturally, there's also a 'spare' analogue auxiliary input for you to connect a CD player or other source component.

FEATURES

- Powerful 2.1 soundbar with built-in 100mm x 150mm subwoofer
- Wide dispersion 65mm x 65mm BMR drivers for room filling coverage
- Built-in wall bracket and anti-vibration feet included for shelf-mounting
- Bluetooth with aptX and NFC close-proximity connection
- Optical input with high quality DAC, analogue inputs and automatic source selection
- Mono output available for an additional subwoofer
- Basic controls on fascia and dedicated Remote Control
- Remote Control IR receiver supports Sky, Virgin Media and other remote codes
- W x H x D 1000mm x 105mm (90mm exc. feet) x 130mm (20mm at narrowest point)
